

1993-94
RICHARD DHAVAN ERNEST

Richard Dhavan Ernest was the Charter President of the Rotary Club of Bandar Sunway. He organised the 1st Interest Meeting which was held in a clinic in Bandar Sunway on the 12th February 1992.

1st Interest Meeting

PDG John Wang Gen-Sie was very instrumental in the early set-up of the Club. District Governor's Special Representative, Past President Kalyana Rama Das better known as K.R. Das (rotary name Kuta Kinte) from the Rotary Club of Bangsar, was the 'mid-wife' who delivered RC Bandar Sunway. PP Das not only helped Charter the Club but had the additional task of inculcating Rotary values and teaching us everything we need to know about Rotary. This was because prior to joining RC Bandar Sunway, none of the charter members had any association with any Rotary Organisation. As Bandar Sunway at that time did not have a conducive meeting place we had our meetings at the Lake View Club in Subang Jaya. RC Bandar Sunway received the Charter on 22nd April 1993 with 23 charter members.
