

## **LEG FOR LEGLESS PROJECT**

**"Leg for the Legless"** is the Signature Project of The Rotary Club of Bandar Sunway which has been carried out for more than 20 years. The project focuses on providing "functional artificial limbs" also known as prosthesis limb for the lower income group who have lost their legs either due to an accident or illness such as diabetes. More than 800 artificial limbs have been given out since the start of the project. The project commenced partnering Mahavir Seva Sedan, Calcutta, India and Hospital Tengku Ampuan Rahimah, Klang. What started of as a yearly camp, has today found a permanent home at Pusat Anggota Tiruan Central.

The RC Bandar Sunway have embarked on a long term project of providing free artificial legs to needy Malaysians and to provide support services for the recipients. Towards achieving this noble project, Pusat Anggota Tiruan Central has graciously provided a permanent 'Leg For The Legless' Project Centre in its premises. The Center is accessible to recipients to make appointments for adjustments for up to one year. They also undergo a gait training at the Center to help them achieve optimum comfort while walking.

Many disabled people suffer because they are unable to purchase artificial legs, which are expensive, and therefore they are confined to crutches and wheelchairs. In addition to limiting their mobility, this physical disability also denies them the opportunity to earn a living. The Rotary Club of Bandar Sunway is committed to this Signature Project of the Club and is determined to play its role in improving the quality of life of the Recipients of this Project.

In 2013, RC Bandar Sunway had taken this project to an international level by being the Lead organising club in the Dhanvanthri Leg for Legless Project in Sri Lanka which saw the fitting of 53 artificial limbs for victims of the war.

### **The Objectives of this Rotary International Humanitarian Project is to :**

- Give Recipients mobility to enable them to lead a normal life
- Give Recipients an opportunity to earn a living
- To return the Recipients their dignity
