Progress gets its reward

SJK(T) Pulau Carey Barat's progress in hockey has brought rewards with the team to be trained by qualified coaches and former national players.

Recognising their progress and interest in hockey, headmaster K. Rajasekaran requested for support by way of training and sporting gear, including jerseys, track pants and

other requirements.

Giving "Service above Self" a new perspective and direction, the Rotary Club of Bandar Sunway and its well-wishers stepped in to fulfil the dreams of the young players under a junior development programme.

A professional coach has been appointed to coach the seven-time

Kuala Langat district boys and girls hockey champions' with the aim of creating a new generation of national players.

The professional coach will start training the players from the next school term.

The programme will continue till the end of 2017.
